

Tablecloth 3. What feels right about antenatal and postnatal care and children's services closer to home?

"Talk to Howgill!"

**"Continuity important
– midwife and
consultant."**

**"Should do parenting
lessons!"**

**"Going back to how it was
when Surestart set up – a
good thing."**

"Distance matters!"

**"Make sure you reach
vulnerable mums –
make it easy for them to
engage."**

**"Need to be
able to park!"**

**"Less continuity
now!"**

**"Working in GP
Practices is Good!"**

**"Need to get a healthy
balance – work/life."**

**"Going back to how it was
when Surestart set up – a
good thing."**

**Having a named midwife
(plus others in the team)"**

**"Local scans important – but
don't mind travel."**

Baby Clinics

***Need to be local.**

***Need to be more flexible, not
just 2 hours on one day.**

***Suggest alternate mornings
and afternoons.**

**"Very important to have
antenatal and postnatal care.
Think it could devolve to the
community."**

Q: Are we able to get the staff?

**"Need to get a positive message
out to ensure we do."**

**"If had hub need all
professionals to access in one
place so that families don't have
to attend different venues.
i.e. HV/ Midwives/ SW/ X-Ray
etc. is all under one roof!"**
