12 March 2019	Update on the Emotional Resilience Programme (Cumbria Youth Alliance)	Sophie Birkett
Meeting 3 2019 - Date To Be Confirmed	Feedback From Fifteen Steps Challenge NHS North Cumbria CCG Engagement Work (children with disabilities, autism, children looked after) Impact on child health being incorporated into planning of communities/buildings. Update (29/11/18): There was discussion of who from Allerdale Borough Council would be appropriate to invite to a future meeting to discuss how child health is factored into planning. IH has spoken to colleague involved in change of local plan/policy and they are happy to attend a future meeting. It was noted that it would be appropriate to invite someone who links with the Health and Wellbeing Board. It was recommended that the group thinks about where else it may be appropriate for the person/people to give talks.	Nicola Jackson Harry Harrison Ian Hinde / Allerdale Borough Council
