

## Your views on working together and 'Co-production'

The questions below use a star rating system for your responses.

Please rate with the relevant number of stars you feel is appropriate to how you feel.

**1 = Low & 10 = High**

**For example - a 10 star rating to show you strongly agree. A 1 star rating to show you strongly disagree.**

1. How do you feel about working with the NHS?

2. How do you feel about working with the NHS in a specific area with a small team?

3. Do you think the NHS in west, north and east Cumbria is committed to co-production?

4. Do you have access to the right team members to work with the NHS?

5. Do you have access to the right information to work with the NHS?

6. How optimistic are you that Co-production and working together will lead to better outcomes?
